Forecast for Monday 19 Oct 2020

Weather: A cloudy day with outbreaks of rain becoming heavier and spreading north across all ranges in the morning. Rain will become persistent in the afternoon and evening, turning heavy at times across the Perthshire hills and Ochils.

Chance of cloud free mountain/hill tops above 800m: Extensive cloud down to 300 to 500 metres across all ranges throughout the day. Little chance of any prolonged breaks.

Visibility: Generally poor in rain, but perhaps good at times in north and east in morning.
